GIS Data:

Standard GIS Dataset

Standard GIS Dataset

A complete list of layers included in the Standard GIS Dataset is available on the Huntingdon County Mapping Department web page

Data Format

Geodatabase

Shapefile

Tax Assessment Data

Tax Parcel GIS Layer

Tax Parcel GIS Layer joined to Assessment Data (CAMA)

Assessment Data Only(CAMA) Computer Assisted Map Appraisal

Media Format

CD

DVD

Maps:

Digital (PDF format) Paper

Many maps have already been created and are available for free download on the Mapping Department's online Map Gallery. The Mapping Department will print these maps, as requested, based on the cost of the map size (see pricing below). Any custom mapping estimates will be provided based on a rate of \$25.00/hour plus map cost (rate effective 5/1/2010).

Please describe the intended information or concept to be illustrated by the map or project:

Map Size (specify quantity)

_____ A (8.5" x 11")

_____ B (11" x 17")

_____ C (17" x 22")

_____ D (22" x 34")

_____ E (34" x 44")

GIS Data Pricing:

| Standard GIS Dataset | Tax Assessment Data |
|-----------------------------|---|
| \$250 | \$500 - Tax Parcel GIS Layer Only \$1000 - Tax Parcel GIS Layer Joined with Assessment Data (CAMA) \$500 - Assessment Data Only (CAMA) Computer Assisted Map Appraisal* |

* CAMA file is provided in a Microsoft Excel format only

Map Pricing:

| Map Size | Original Print | B&W Scan/Copy |
|-----------------|-----------------------|--------------------------|
| A (8.5" x 11") | \$3.00 | \$1.00 |
| B (11" x 17") | \$5.00 | \$3.00 |
| C (17" x 22") | \$7.00 | \$5.00 |
| D (22" x 34") | \$9.00 | \$7.00 |
| E (34" x 44") | \$14.00 | \$12.00 |
