#### Public comment

Jim Cassatt referred to last week's meeting when Shawn Ritchey from Keller Engineers was asked if the Walnut Grove Bridge project would be done by Christmas and his reply was hopefully before. Does the County have a start date and a finish date on their contracts and if the contractor goes over the finish date are there penalties.

Chairman Hoover said yes all contracts have a start date and a finish date. Now he did not know if the subcontractors have the same thing. Yes there has been additional time given to the Bailey building because of weather and other issues. Commissioner Fluke said that when the contractor runs into a problem that was not anticipated then there needs to be more time to fix the problem the right way so from the beginning things are right.

There were no matters from the Solicitor.

First on the agenda today is the approval of reimbursement request # 3 – Part 004 in the amount of \$11,531.22 for the Walnut Grove Bridge Project.

It was moved by Commissioner Kough Pittenger second by Commissioner Fluke and carried (Kough Pittenger, yes; Hoover, yes; Fluke, yes) to approve the reimbursement request #3 – Part 004 in the amount of \$11,531.22 for the Walnut Grove Bridge Project.

It was moved by Commissioner Kough Pittenger second by Commissioner Fluke and carried (Hoover, yes; Fluke, yes; Kough Pittenger, yes) to accept the resignation of Jacqueline M. Allenbaugh from the Children Services Office effective June 30, 2011.

It was moved by Commissioner Kough Pittenger second by Commissioner Fluke and carried (Fluke, yes; Kough Pittenger, yes; Hoover, yes) to hire Ruth Zimmerman as Caseworker I for Children Services with a start date of July 5, 2011.
