

Huntingdon County Prison

Policy Statement

DATE: 11/17/2015

SUBJECT: Zero Tolerance-
Prison Rape Elimination Act

(115.11) Policy number: PREA 2015

PURPOSE: To establish a standard for how the Huntingdon County Prison Staff will implement the Facility's zero tolerance approach to preventing, detecting, and responding to sexual abuse and sexual harassment.

POLICY: It is the policy of the Huntingdon County Prison to prohibit any form of sexual contact or harassment with an offender. An offender, staff member, visitor, volunteer, or contracted service provider found to be in violation of this policy is subject to disciplinary action, termination of services or contracts, sanctions, and may be subject to criminal prosecution. A claim of consent is not an acceptable defense for participating in sexual contact or harassment with an offender.

Any staff member, volunteer, visitor, or contracted service provider must report any incident witnessed to the Lieutenant on duty or most senior officer on duty (control room officer) (115.54) (115.61). Failure to report an incident may also result in disciplinary action or termination of services. It will be the staff's responsibility not to reveal any information of incidents regarding sexual contact or harassment. Retaliatory action against any person reporting a sexual assault or harassment incident is prohibited. (115.61)

It is also the policy of the Huntingdon County Prison to appoint a PREA Coordinator and PREA Compliance Manager to oversee the all aspects of this policy. (115.11)

PREVENTION

- **PREA Coordinator:**
 - The PREA Coordinator will evaluate and report regularly to the Warden on the facility's supervision and monitoring.
 - The PREA Coordinator shall document observations and provide recommendations to the Warden on the status of staff planning. The staff planning shall provide for adequate levels of staffing and where applicable, video monitoring to protect offenders against sexual abuse. In calculating adequate staffing levels and determining the need for video monitoring, the following shall be considered:
 - All components of the facility's physical plant such as, "blind spots" or areas where staff or offenders may be isolated.
 - The composition of the inmate population.
 - The number and placement of supervisory staff.
 - Facility programs occurring on a particular shift.
 - Whenever necessary, but no less than once a year, in consultation with the PREA coordinator, the Warden shall assess, determine, and document whether adjustments need to be made to: a. The staffing plan, (115.13)
 - The facility's deployment of video monitoring systems and other monitoring technologies, and
 - Documentation of intermediate-level and higher-level supervisors unannounced rounds to identify and deter sexual abuse and sexual harassment on each shift. It is prohibited for staff to alert other staff that the unannounced rounds are occurring

unless it is related to operational functions of the facility. (115.13)

YOUTHFUL OFFENDERS

- A youthful inmate shall not be placed in a housing unit in which the youthful inmate will have sight, sound, or physical contact with any adult inmate.
- Supervision will be provided for youthful offenders on a one on one basis with a staff member of the same gender.
- Absent exigent circumstances, daily recreation shall not be restricted.
 - Statement - Huntingdon County Prison (115.14)

Youthful offenders will not be housed on the main cell block or work release area at the Huntingdon County Prison where the youthful offender will have sight, sound, or physical contact with any adult through use of “block out” or other common space, shower area or sleeping quarters unless the youthful offender is under direct supervision by Correctional Staff. This will be considered as an exigent circumstance. This will be reported. Every effort will be made to ensure a youthful offender is never placed in a shower area or sleeping quarter with direct physical access by/with an adult offender. If circumstances should arise whereby this cannot be accomplished, the youthful offender will be placed under continuous direct supervision by Correctional Staff. This will be considered as an exigent circumstance. Best efforts will be made not to isolate/segregate youthful offenders from prison activities. Youthful offenders must be under direct Correctional Staff supervision during recreational activities with adult offenders. Youthful offenders will be permitted to attend extracurricular activities/programs with adult offenders under direct supervision and control of Correctional Staff.

- All Youthful Offenders will be housed in HC 2. This cell has 3 video points of view that are Constance with intercom link to the control room. Second, outside of housing units, the prison must either maintain “sight and sound separation” between youthful inmates and adult inmates. Exigent circumstances the shift Lieutenant or control room officer will make housing moves to free up the HC2 area. This will all be done with documentation in the OMS system as a exigent circumstance.

SCREENING FOR RISK OF VICTIMIZATION AND ABUSIVENESS AND USE OF SCREENING INFORMATION

- All inmates will be assessed during the intake process. Intake screening shall ordinarily take place within 72 hours of arrival at the facility, and such assessments shall be conducted using an objective screening instrument. - An offender may be disciplined for sexual contact with staff only upon finding that the staff member did not consent to the contact.

REPORTING TO INMATES

- Following an investigation into an inmate's allegation that he or she suffered sexual abuse in the facility, the PREA coordinator shall inform the inmate.
- Following an inmate's allegation that a staff member has committed sexual abuse, the PREA coordinator will notify the inmate:
 - If the staff member is no longer posted within the inmate's unit;
 - The staff member is no longer employed at the facility
 - The PREA Coordinator learns of the staff member has been indicted on a charge related to sexual abuse within the facility; or
 - The PREA Coordinator learns that the staff member has been convicted on a charge related to sexual abuse
- Following an inmate's allegation that he or she has been abused by another inmate, the PREA Coordinator will notify the inmate:
 - If the PREA Coordinator learns that the alleged abuser has been indicted on a charge related to sexual abuse within the facility; or
 - The PREA coordinator learns that the alleged abuser has been convicted on a charge related to sexual abuse within the facility.

PROTECTION AGAINST RETALIATION

- Any Inmate or staff member that reports sexual abuse or harassment or cooperates with an investigation shall be protected from retaliation from staff or other inmates.
- The PREA coordinator shall be designated to monitor potential retaliation. The PREA coordinator shall employ multiple protection measures, such as housing changes, removal of staff abusers from contact with victims, and emotional support for inmates or staff who fear retaliation.
- For 90 days following a report of sexual abuse, the PREA coordinator shall monitor the conduct

and treatment of inmates or staff involved to observe any changes that may occur to suggest retaliation and act promptly to remedy any such retaliation.(115.67)

- The Prison's obligation to monitor the situation shall terminate if the PREA coordinator deems the allegation unfounded.

Data Collection and Review

Sexual abuse incident reviews (115.86)

1. The Huntingdon County Prison shall conduct a sexual abuse incident review at the conclusion of every sexual abuse investigation, including where the allegation has not been substantiated, unless the allegation has been determined to be unfounded.
2. Such review shall ordinarily occur within 30 days of the conclusion of the investigation.
3. The review team will include the Warden, Deputy Warden and allows input from the Shift Lieutenant, Huntingdon Boro Police investigators, and medical staff.
4. The review team shall:
 1. Consider whether the allegation or investigation indicates a need to change policy to better prevent, detect, or respond to sexual abuse.
 2. Whether the incident or allegation was motivated by the perpetrator or victims' race, ethnicity, gender identity, LGBTI identification, status or perceived status, gang affiliation or motivated by other group dynamics.
 3. Examine the location where the incident allegedly occurred to assess whether physical barriers in the area enable abuse. Assess the adequacy of staffing levels in the location during different shifts.
 4. Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.
 5. Prepare a report of its findings and any recommendations for improvement and submit to the Warden.
 6. The Warden will implement recommendations for improvement from the review teams report or document his reason for not doing so.
5. The Huntingdon County Prison shall implement the recommendations for improvement, or shall document its reasons for not doing so.

Data collection (115.87)

1. The Huntingdon County Prison shall collect accurate, uniform data for every allegation of sexual abuse at facilities under its direct control using a standardized instrument and set of definitions.
2. The Huntingdon County Prison shall aggregate the incident-based sexual abuse data at least annually.
3. The incident-based data collected shall include, at a minimum, the data necessary to answer all questions from the most recent version of the Survey of Sexual Violence conducted by the Department of Justice.
4. The Huntingdon County Prison shall maintain, review, and collect data as needed from all available incident-based documents, including reports, investigation files, and sexual abuse incident reviews.
5. The Huntingdon County Prison also shall obtain incident-based and aggregated data from every County Prison with which it contracts for the confinement of its inmates.
6. Upon request, the Huntingdon County Prison shall provide all such data from the previous

calendar year to the Department of Justice no later than June 30.

Data review for corrective action (115.88)

1. The Huntingdon County Prison shall review data collected and aggregated pursuant to **Data collection** (115.87) in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, including by:
 1. Taking corrective action on an ongoing basis; and
 2. Identifying problem areas
 3. Preparing an annual report of its findings and corrective actions for each Huntingdon County Prison, as well as the Huntingdon County Prison as a whole.
4. Such report shall include a comparison of the current year's data and corrective actions with those from prior years and shall provide an assessment of the Huntingdon County Prison's progress in addressing sexual abuse.
5. The Huntingdon County Prison's report shall be approved by the Huntingdon County Prison head and made readily available to the public through its website or, if it does not have one, through other means.
6. The Huntingdon County Prison may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a Huntingdon County Prison, but must indicate the nature of the material redacted.

Data storage, publication, and destruction (115.89)

1. The Huntingdon County Prison shall ensure that data collected pursuant to **Data collection** (115.87) are securely retained.
2. The Huntingdon County Prison shall make all aggregated sexual abuse data, from facilities under its direct control and private facilities with which it contracts, readily available to the public at least annually through its website or, if it does not have one, through other means.
3. Before making aggregated sexual abuse data publicly available, the Huntingdon County Prison shall remove all personal identifiers.
4. The Huntingdon County Prison shall maintain sexual abuse data collected pursuant to **Data collection** (115.87) for at least 10 years after the date of the initial collection unless Federal, State, or local law requires otherwise
